Book and Video Cassette Reviews
- "An Anthology of Plastic Surgery," by Harry Hayes, Jr. (book review) (Rogers) 250
- "Plastic Surgery: The New You," by T. Ray Broadbent (video cassette review), (Rogers) 61
- "Transverse Abdominal Island Flap Technique for Breast Reconstruction After Mastectomy," by Carl R. Hartrampf, Jr. (Video cassette review), (Rogers) 60

Breast
- "All season" mammoplasty (Laussus) 9
- Capsulotomy, open, by transaxillary approach (Matti and Nicolle), 243
- Hypoplasty of the breast due to x-ray irradiation (Wada et al) 137
- Mammoplasty with an L-shaped limited scar and retropectoral dermopexy (De Longis) 171
- Modified hexagonal technique for reduction mammoplasty and mastopexy (Elsahy) 45
- Nipple, congested, salvage of, during reduction mammoplasty (Hallock and Cusenz) 143
- Nipple, inverted, correction of (Yanai et al) 51
- Nomenclature, suggested, for aesthetic and reconstructive surgery of the breast, III: Gynecomastia (Letterman and Schurter) 55
- Reconstruction, breast, new options, alternatives to the latissimus dorsi musculocutaneous flap (Berrino et al) 237
- Subcutaneous mastectomy in patients with benign breast disease, redefined indications for (Pennisi) 101

Chin
- Augmentation mentoplasty: A critical analysis (Pitanguy et al) 161

Ear
- Ear cartilage graft, simplified, harvesting of (Guyuron) 37
- Ear reconstruction, importance of, for aesthetic balance of the facial contour (Avelar) 147
- Earlobe augmentation (Jemec) 35
- Prominent ear, correction of (Mahler) 29

Eyelids
- Blepharoplasty, cosmetic, lower lid, correction of true periorbital fat herniation (Sachs and Bosniak) 111
- Blepharoptosis, unusual, operative experience with (Miyake and Tange) 157

Face
- Chemical face peel, present day status (Litton et al) 1
- Deformation: Its application to cosmetic facial surgery (Shirakabe et al) 181
- Dermofat graft for profile plasty (Goldemberg) 41
- Liposuction fat grafts in face wrinkles and hemifacial atrophy (Chajchir and Benzaquen) 115

History
- Classic Reprint: The deformity termed "pug-nose" and its correction, by a simple operation (Roe) 89
- John Orlando Roe—not Jacques Joseph—the father of aesthetic rhinoplasty (Rogers) 63

Lip
- Cleft lip operation, aesthetic considerations of (Onizuka et al) 127

Lipolysis
- Liposuction fat grafts in face wrinkles and hemifacial atrophy (Chajchir and Benzaquen) 115

Mouth
- Oral commissure injuries, an approach to the late effects of (Vecchione) 105

Nose
- Aesthetic rhinoplasty, the father of, John Orlando Roe—not Jacques Joseph (Rogers) 63
- Ala ptosis, management of, in Oriental rhinoplasty (Khoo Boo-Chai) 17
- Classic Reprint: The deformity termed "pug-nose" and its correction, by a simple operation (Roe) 89
- Geography of the nose: A morphometric study (Farkas et al) 191
- Over-shortened nose, correction of (Nicolle) 27
- Revision rhinoplasties, 122 operations, brief review (Lovas) 225
- Skin of nose, securing of, under the cast, in rhinoplasty (Mahler) 235
- Tip graft from the cartilaginous dorsum in rhinoplasty (Garcia-Velasco and Garcia-Velasco) 21
- Twisted nose, new data in the correction of (Crestinu) 231

Photography
- Standards in clinical photography, photographic surgery (Jemec and Jemec) 177

Skin and Skin Flaps
Accordion flap (Yanai et al) 93
Suture material for closing the skin and subcutaneous tissues (Lober and Fenske) 245
Z-plasty scar revision, direction of suture lines (Yanai et al) 97
